My dear Mr Telf

I recd the enclosed from Mr <sup>Mr</sup> J. B. Bush of the firm of Russell & Co. China. Mr B. has been absent in China a number of years. & has no doubt, as he says, fallen behind in his collections of coins. I know of no better way to help him, than coming to the "Fountain Head", and take the liberty of enclosing his letter, to you. If you can help me in any way to fill his wants. You will confer a favor on your friend
